MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 3 to Contract No. LW-473 with
The Perkin-Elmer Corporation, Project CHALICE

25X1

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is set forth in Paragraph 5.

2. Contract No. LW-473 and Amendments Nos. 1 and 2 thereto provide for top-level technical support in connection with equipment furnished by the subject Contractor for Project CHALICE. Amendment No. 3 to the Contract has been drawn pursuant to AF Audit Report #261, dated 6 January 1959, entitled "Supplemental Report of Audit, Technical Representative Contract LW-473" to adjust the fiscal year funds allocated to the contract to agree with approved expenditures made under the Contract for the period ending 30 June 1958.

3. A sum of \$55,000 has been obligated under the Contract comprised of the following: \$30,000 from Fiscal Year 1958 CHALICE funds and \$25,000 for Fiscal Year 1959 CHALICE funds. This Amendment No. 3 increases the amount of Fiscal Year 1958 CHALICE funds obligated to the Contract by \$1,267.14, from \$30,000 to \$31,267.14. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
